News and information

Our next event is Lake Hume on the Saturday and Sunday 10-11th August. Weigh-in will be at 4 pm at Ludlows reserve. Target species for the weekend are trout, redfin, yellow belly and cod. You can fish both days. There will be no meal on the Saturday only the Sunday BBQ at the weigh-in. Cost for the weekend will be \$10.00

The September event will be Khancoban on the 20-22nd utilising veranda camp. Please contact Adrian for a room.

Don't forget the Oct 6 is the Go fish day, all members are welcome and there is no cost to you.

Some dates that were missing in last months newsletter have now been added.

The dart interclub. 10 of us fished the event and tried valiantly to retain the cup but were unsuccessful by 190gm. We managed to weigh 50 fish and the Alpine anglers 18, but their 18 were just bigger than our 20. In all it was a good weekend with a couple of members being lucky enough to take out the best bag for men and the best rainbow. Alpine collected all other prizes. The best brown was over a kilo. I don't have the figures at this stage but will put them in the next newsletter if I can. What worked for one did not necessarily work for others. All in all, it was still a good weekend and good to catch up with some people we had not seen for some time

Happy birthday to the following member/members, Jeff.

Memberships are now open for the 2024/25 season. Please pay.

Don't get scammed buying a fishing licence in NSW

The only official site for purchasing a NSW fishing licence is the Service NSW website. There are currently several non-government websites offering to purchase a NSW recreational fishing licence online on your behalf. Please note these non-official websites may charge additional fees for this service.

The official Service NSW website DOES NOT charge any additional administration or service fees.

Official costs for fishing licences in NSW are:

- \$7 for 3 days;
- \$14 for 1 month;
- \$35 for 1 year;
- \$85 for 3 years.

If you only want to pay the official licence fee, make sure you use the Government's ServiceNSW website at <https://www.service.nsw.gov.au/>.

The online application process is very efficient and only takes an average of 3 minutes to complete online. At the end of the transaction, you will receive a receipt that permits you to fish instantly.

If you have any questions about buying your fishing licence, call DPI's recreational licensing team on 02 4424 7499 or email recfish.licensing@dpi.nsw.gov.au .

April	AGM
May 16-18	Eucumbene
June	In House
July	Dart interclub

NSW Government DPI Fisheries restructure

The NSW Government has announced changes to the way the Government will manage biosecurity, agriculture, fisheries, forestry and mining as well as regional development.

From 1 July, 2024, the Department of Regional NSW will be re-named the NSW Department of Primary Industries and Regional Development.

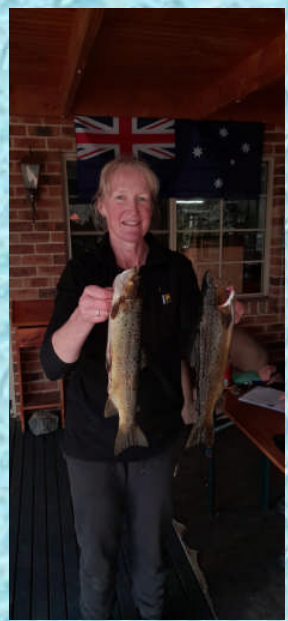

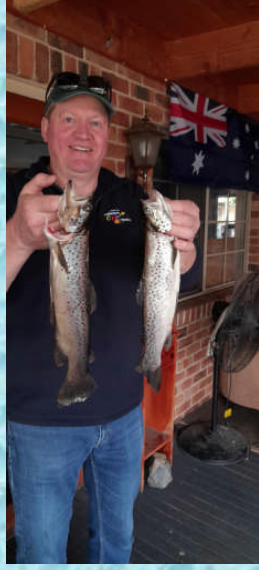

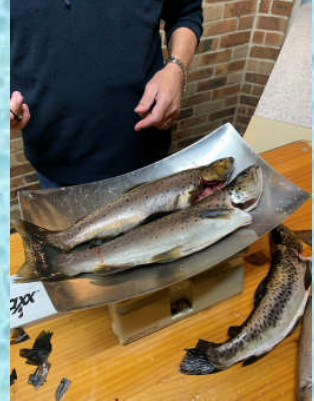

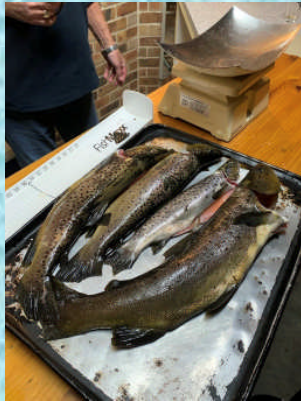

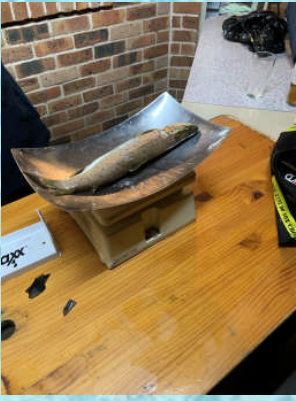

There will also be a change in leadership of the new department. Rebecca Fox will depart the role of Secretary. The incoming Secretary will be current Chief Executive Officer Local Land Services, Steve Orr.

These changes will create two new divisions within the Department, each with Deputy Secretaries reporting directly to the Secretary.

Fisheries and Forestry will be combined and Agriculture and Biosecurity will be grouped together. Sean Sloan becomes Deputy Secretary of Fisheries and Forestry. Peter Turnell is acting Executive Director Fisheries.

Regional economic development focused on regional industries and employment will remain firmly in the new department, with broader Regional Coordination functions returning to the NSW Premier's Department.

July interclub

LEIGH MARTIN MARINE
