News and information

Our next event is Jindabyne on the 25-27th October. Most are staying at the NRMA caravan park in the middle of Jindabyne itself. Please advise me or a committee member if attending, and not already done so, before the 22nd of Oct so we can organise catering. For those who went to Khancoban, you would have seen signs advising the costs of utilising the park. If you are only transiting the park you DO NOT have to pay anything. I have confirmed this with the Khancoban visitors centre and they advise you have 2 hours to transit the park. Cost for the weekend is \$20 per head.

The section will not be holding a formal Christmas party this year. There are several factors that have led the committee to make this decision but cost to the members was at the top of the list. We will hold a dinner at one of the outlets within the mother club, e.g. Brewhouse, sports bar and grill, and or the golf club. Members will be able to choose a main and either an entrée or desert and pay for the third meal themselves. Remember that as a function, we do not get members prices, but the section does not pay a room hire fee as a trade off. Cost to members is yet to be determined but members will be advised.

Don't forget that the Lake Hume classic is on this weekend, members are welcome to enter the event.

Last weekend, the section held the Gone fishing day at Lake Hume. There was around 45 children attend the event. A big thankyou to the members who attended and helped to make the day a success. Those attending were introduced to knott tying, casting and general fishing rules.

The new clothing will be available for order and photos and pricing will be in the next news letter.

Memberships are now open for the 2024/25 season. Please pay.
