2026

Firstly, let me apologies for the lateness of the newsletter. I have been back in hospital, I'm home now.

Our next event is scheduled for Eildon on Sep 11-13. This is to be a native event and as such only natives will be accepted for weighing. Redfin are an exception and may be presented. I appologise for the short notice but I, or other committee members, need expressions of interest before Tuesday the 8th so we can organise the event. Accommodation for the event will be at Bonnie Doon caravan park. Turn left at the pub, just before the bridge. Costs are $150-$180 per night for cabins and $40 per night for unpowered sites. Phone 0357787252 to book or go online. Cost for the weekend is $20 per head.

The August event saw no fishing but the evening meal on the Friday night was well attended.

The go fish day scheduled for early October will not go ahead.

October is also Jindabyne. Most will stay at the caravan park in the center of town; some have booked other accommodation. November will be Dartmouth.

Make Your Catch Count!

Heading out fishing this season? You might spot one of our friendly interviewers at your local boat ramp!

The NSW DPIRD Boat Ramp Survey Program (BRS) is an important monitoring initiative that helps collect valuable information on recreational fishers and their catches.

When you return from a fishing trip at a monitored ramp, one of our trained staff may approach you to ask a few simple questions about you and your fishing trip.

It only takes a couple of minutes and is completely voluntary. All data collected is confidential, anonymous, and plays a crucial role in contributing to the monitoring of NSW's key recreational fish species.

So if you see one of our BRS interviewers at your local ramps, please contribute your data to help support healthy fish stocks for the future!

Memberships for 2026/27 are now overdue, please pay if not already done.
